## DR. HALE LECTURES ON AN INTERNATIONAL TRIBUNAL AT THE CHRISTIAN UNION.

Rev. Edward Everett Hale, D. D., lectured at the Boston Young Men's Christian Union March 25, upon the High Court of America, and repeated substantially what he had said on the subject in a Thanksgiving Day address, published in the Advocate. He thinks that one outcome of the International Congress of American States will be the initiation of a permanent tribunal, before which, in case of controversy between two citizens of different nations, or between a citizen of one nation and the Government of another, a fair trial shall be given, and by which substantial justice shall be awarded. He thought that eventually the outcome would be that nations themselves would submit their questions for consideration to such a tribunal, and said that if such a tribunal existed among the nations of America it would not be long before a similar body existed among the nations of Europe. And thus we should come to the high court of nations which had been sought for so earnestly and so long. This was the closing lecture of the season.

## TO BANISH WAR FROM AMERICA.

REMARKS OF HON. C. R. FLINT IN PAN-AMERICAN CONFERENCE MARCH 17.

"In an important, I might say the most important, field of conference, that of substituting arbitration for war as a means of adjusting international disputes, the honorable Delegates from the Argentine Republic and from the United States of Brazil, powerful and progressive nations, representing an advanced civilization, have not only taken the best course to insure the political independence of the Republics of America, but they have done more to establish the confidence which is at the basis of all commerce, than would be accomplished by any other measure which could be proposed in this Conference. We welcome them as co-workers in that great cause which aims to banish war from all the Americas, and by America's great example to discourage it throughout the world."
